PREMIER EXPERIENCE	<i>(4 Hours)</i>	"A FUN & ORGANIZED EVENT"	\$2,195
---------------------------	------------------	--------------------------------------	----------------

Your HOST/MC will meet with you before your event to really get to know you with a fun profile.

You will also discuss the details for your event, and he will offer you creative & fun ideas for you to select from to make sure it is exactly what you want. He will then help you create your reception program with all the special moments, family traditions and unique activities. At your event, he will facilitate the reception to make sure everything runs smoothly, as well as make the announcements and introductions and be fun and personable. When it is time, he will get everyone on the dance floor in a way that is guaranteed to WOW your guests!

Your DJ will create a custom playlist based on your song requests and preferred genres.

You will receive a personal online account with 24/7 access to our music. You will be able to listen to the music to help you select your favorite songs as well as define your list of "Do Not Plays".

The 2 Speaker sound system will accommodate an event with up to 150 guests.

Additional Hour \$275
